

University of Washington Earth Day Sustainability Scavenger Hunt

Happy Earth Day! This scavenger hunt will help orient you to some of UW's sustainability features. Take a photo at one place of each type within the categories below, and identify any details requested. Post your photos to Facebook and tag "UW Environmental Stewardship and Sustainability."

Complete this Sustainability Scavenger Hunt by Friday April 26th for a chance to win one of fifteen cool prizes listed below. The first 30 participants to complete the hunt will also receive a flash drive and a screen cleaning cling sticker.
