

The University of Washington's Climate Action Plan was created through the efforts of over 100 faculty, students and staff on all three UW campuses.

#### Climate Action Plan Sponsors:

- Mark A. Emmert, UW President 2004-2010
- Phyllis Wise, Provost and Executive Vice President 2005-2011
- V'Ella Warren, Senior Vice President
- Paul Jenny, Vice Provost

The Oversight Team coordinated activities, discussed strategies and communicated across the Academic and Administrative teams:

- Sandra Archibald, Dean, Evans School of Public Affairs
- Bruce Balick, Astronomy and Faculty Senate Chair
- Denis Martynowych, Planning and Budgeting
- Elise Glassman, Strategy Management
- JR Fulton, Housing and Food Services
- John Chapman, Facilities Services
- John Schaufelberger, College of Built Environments
- Josh Kavanagh, Transportation Services
- Ruth Johnston, Finance & Facilities
- Roel Hammerschlag, Stockholm Environment Institute U.S.
- Stephanie Harrington, College of the Environment

#### The Academic sub-teams were led by:

- Bruce Balick, Research
- John Schaufelberger, Curriculum
- Stephanie Harrington, Outreach

#### Academic Team members included:

- Ashley Rumble, student, ESAC representative
- Bridget Mason, UW Tacoma Environmental Science
- Christina Heinlen, student, Environmental Studies
- Christopher Bretherton, Atmospheric Science/Applied Mathematics
- Clara Simon, Capital Projects Office
- Danielle Pierce, student, Landscape Architecture
- David Hendry, Information School

- H. Asuman Kiyak, Oral/Maxillofacial Surgery
- Howard Chizeck, Department of Electrical Engineering
- Jerid Paige, student, Environmental Studies
- Jim Gawel, UW Tacoma Environmental Sciences
- Kevin Laverty, UW Bothell Business Program
- Key Nuttall, Marketing
- Lia Wetzstein, UW Tacoma Environmental Studies
- LuAnne Thompson, School of Oceanography
- Marilyn Ostergren, Information School
- Martha Groom, Interdisciplinary Arts and Sciences
- Phil Malte, Mechanical Engineering
- Rob Pena, Architecture
- Samantha Croffut, student, Biology
- Theresa Doherty, Office of Regional Affairs
- Tom Hinckley, Forest resources

#### The Administrative sub-teams were led by:

- Celeste Gilman, Commuting
- Denis Martynowych, Finance
- John Chapman, Campus energy supply
- JR Fulton, Campus energy demand
- Ruth Johnston, Climate policy development and implementation
- Steve Ashurst, Information technology
- Tad Anderson, Professional travel

#### Administrative Team members included:

- Alan Wright, student, Environmental Studies
- Ann Sarna, Treasury
- Anne Eskridge, Transportation Services
- Aubrey Batchelor, student, Biochemistry
- Bradley Pavlik, student, Landscape Architecture
- Chris Bruno, student, Philosophy/Mathematics
- Clara Simon, Capital Projects Office
- Dennis Gawlik, Purchasing Services
- Duncan Chalmers, Capital Projects Office
- Jeanette Henderson, Real Estate Office
- Joel Loveland, Architecture
- Joyce S. Cooper, Mechanical Engineering
- Marilyn Montgomery, College of the Environment
- Martin Su, student, Arts and Sciences
- Milt Tremblay, UW Tacoma Facilities and Campus Services
- Terry Nyman, Environmental Health and Safety

- Tony Guerrero, UW Bothell/Cascadia Facilities Services

#### Project Administration:

- Roel Hammerschlag, Technical writer
- Elise Glassman, Project manager
- Marilyn Ostergren, Graphics
- Jerid Paige and Aubrey Batchelor, Student support

**Special thanks** to the hundreds of UW students, faculty and staff who reviewed CAP drafts and provided comment including David Szatmary and team at UW Educational Outreach, Barbara McPhee at UW Environmental Health & Safety; to Guarrin Sakagawa for help calculating UW Bothell emissions, Theresa Barker for her work on the survey data, Kay Sterner for her editorial review, and Michael Fero for his polishing skills.
